→ Product Registration and Support

Benefits of Registration

There are many great reasons for registering your product:

- **Getting access to technical support.**
- **Getting access to free sounds and samples, via the Internet.**
- **Being able to communicate with other Reason users via the message board.**
- **The possibility to upload and download songs, to be able to share your music with other Reason users across the world.**
- **Getting information about new versions and updates.**
- **And more...**

Getting Technical Support

There are two ways to get technical support:

- **Contact Propellerhead Software directly, via the Internet: www.propellerheads.se**
- **Contact your local distributor: See later in this document for a list of addresses.**

How to Register

! If you are updating from a previous version of Reason, you are already registered. You don't need to register your update.

Internet (Recommended)

The easiest way to register is via the Internet.

- **Point your web browser to www.propellerheads.se/register, or...**
- **Simply select 'Register Reason now' from the Help/ Contacts menu in Reason.**

Fax/Mail

If you don't have access to the Internet, proceed as follows:

- 1. Fill out the form on the next page, on your computer screen.**
Just click in the fields and type in the text.

! Please, do not print out and fill in the form by hand!

- 2. Print out page 2 of this document (the form).**
- 3. Fax it or mail it to the address indicated on the form.**

! Registering via fax or mail does not give you access to the free Internet benefits. For this you must register via the Internet!

Product Registration Form

! If you have registered on the Internet you do *not* need to fill out or send in this form!
